

EMPOWERING YOU

to Make Informed Decisions
through Background Screening

We are One Source.

Screening applicants should be seamless and easy. It may only be one part of the onboarding process, but it's an important one. Compliance and reliability should not be overlooked.

That's where we come in.

One Source is a Nebraska-based screening agency proud to be an NMA Preferred Partner. We are accredited by the Professional Background Screening Association (PBSA), compliant with the FCRA and EEOC, and work with healthcare providers to enhance the safety of medical centers through comprehensive and customizable background screening.
